a) Problem

Secondary ,primary school and Universities students in Uganda find it hard to get quality revision materials, past papers, and teacher support outside of class. The high costs of private tuition and limited digital infrastructure in schools leave students unprepared for national exams like UNEB.

b) Solution

EduBridge UG is a mobile-friendly digital learning platform that offers:

- UNEB-aligned digital notes
- Past papers with detailed answers
- Short revision videos
- Online quizzes and tests
- Chat room-based academic support
- Direct interaction between students and teachers

Students only need a smartphone and basic internet access.

c) Unique Value Proposition (UVP)

EduBridge UG helps Ugandan secondary ,primary school and Universities students excel in exams by providing affordable, syllabus-aligned digital revision materials and real teacher support anytime and anywhere, without the high cost of private tuition.
